

Federal Research Priorities and Budgets for FY11

Monday-Wednesday, November 8-10, 2010
Student Center West, 206 AB

Do you wish you knew where federal agencies are headed and how to align your funding requests to their priorities and direction? Join us for this webinar and hear directly from program personnel at the National Institutes of Health, National Science Foundation, National Endowment for the Humanities, Office of Naval Research, Army Medical and Materiel Command, and the Departments of Agriculture, Education and Energy as they share agency direction and funding priorities for the coming year.

Agenda

Monday, November 8, 2010, 10 a.m. - 4 p.m. Central time

- 10:00 a.m. Kei Koizumi, White House Office of Science and Technology Policy, on the President's priorities and budget requests for research (confirmed)
