

I. Exercise Program

All dogs will be housed in socially compatible groups or provided with the opportunity to exercise based on one of the following plans:

- A.** Dogs will be maintained in pens or runs that provide at least twice the minimum floor space required by Section 3.6(c)(1).
- B.** Dogs will be provided with daily access to an exercise area that exceeds the minimum floor space required by Section 3.6(c)(1). The duration of the access to the exercise area will be for one and a half hours per week.
