TEST OF ENGLISH AS A FOREIGN

Applicants whose native language is not English, or who have not earned a degree from an institution of higher education in a country where English is the official language and in a school where English is the primary language of instruction, must take the Test of English as a Foreign Language (TOEFL) to demonstrate proficiency in English and ability to handle the demands of the program instruction. Attach copy of your TOEFL score to this application.

TUITION AND FEES:

Tuition and fees are \$695 per semester credit hour. The university will bill students approximately 3 to 4 weeks after classes have begun.

All documents must be sent directly to the MEng Program. Do not mail transcripts to the UIC Office of Admissions and Records. Please send the enclosed "Transcript Request Form" (you may duplicate this for additional copies) to all postsecondary schools you have attended. Records of your academic work must then be mailed directly in sealed envelopes from the registrar's office to the MEng Program. It is your responsibility to ensure that all transcripts are forwarded to the MEng Program under the name of the institution that appears on the application.

Documents that are not in English should be sent in the original language and accompanied by a verbatim (word for word) English translation. Interpretative translations are not acceptable. All documents must be certified by the original signature of the registrar or an authorized representative of the school and must bear the school's official seal.
